PEER Network Coach

Summary:

The Teacher and School Leader (TSL) Grant is a Federal Grant awarded to the Arkansas Public School Resource Center (APSRC) for promoting educator effectiveness in rural Arkansas schools (the PEER Network). The grant will be enacted in partnership with the Crowley's Ridge Educational Service Cooperative (CRESC).

PEER Coaches provide professional development and job-embedded support for teacher leaders and school leaders to leverage evidence-based practices and leadership development for systematic, schoolwide improvement. PEER Coaches support partner schools in the implementation of professional learning, data analysis, goal setting, and goal achievement. The TSL grant provides a range of incentives tied to additional responsibilities, additional certification, and improved student academic achievement. Grant goals include improved academic achievement, distributed leadership, and instructional alignment to evidence-based practice. Teacher recruitment and retention strategies are integrated into the grant goals to ensure the sustainability of grant outcomes.

The TSL grant is currently awarded for a three-year period; funding for years two and three is contingent on achieving the defined year-one goals.

Qualifications:

- Must be able to travel statewide.
- Must be an Arkansas-certified educator.
- Master's degree in education or related field is preferred.
- Understanding of student achievement, growth data and its analysis and relationship to instructional techniques and outcomes is strongly preferred.

Experience:

- Must have teaching or related experience.
- Coaching, leadership, and/or other related experience is preferred.
- Experience with educator development, professional learning, statewide initiatives (including literacy and math), school improvement, and teacher evaluation is preferred.

This is a 240-day position.

Salary - \$77,000
